

Boner in Action Wowie

* The harder it gets, the closer it follows that pelvic arc.

Perineum (♡♡!!)
Area between the butt and Balls

Easy to draw as
a Triangle

Much longer
than on Females.

Still follow pelvic
Curve for boners
at any
angle.

BUT
it is Flexible
of course.

The Curve can
go any which
way if external
Force is
applied.

Wedge
Tension

((IF let go suddenly
it'll spring forward))
